Dear all,

It is with extreme joy that we invite you all to 'EM-Genesis 2017' -the exciting National-level Emergency Medicine conference. The first of its kind, this is more than a medical conference and is a journey through the untouched areas of Emergency care like Aviation Medicine, Marine EM, Transport Medicine, Wilderness Medicine, Prehospital Medicine and so on. The first-ever national-level UG-con in Emergency Medicine, debate, PG-Con, workshops, oral & poster presentations, health tours and much more await those who pack their bags for the event.

Hope to see you all this December at MOSC Medical College, Kolenchery at Ernakulam, Kerala.
