Hello,

*Sub: "EM Genesis" - National Level Conference & Inauguration of the EM dept. at MOSC MCH, Kolenchery, Ernakulam dist., Kerala.*

Warm greeting from the EM department at MOSC MCH, Kolenchery, We, the Emergency Medicine department at MOSC Medical College Hospital, Kolenchery, Ernakulam District, Kerala is striving to become yet another nodal center for providing quality EM care in the state of Kerala. To take this step forward, we are proposing to conduct a high quality cutting edge knowledge based national level conference "**EM Genesis**" focusing on the Undergraduates, Postgraduates and practicing EM consultants.

**EM Genesis, the national level conference will be held on 18<sup>th</sup> and 19<sup>th</sup> of December, 2017.** The two day conference mainly aims to focus on the various aspects of Emergency Medicine mainly focusing on **EM UGcon and EM PGcon, first of its kind in India.** The theme of the conference is to **focus on untouched areas of Emergency Medicine like Aviation EM, Marine EM, Wilderness EM, Prehospital care, Disaster Medicine, and Transport medicine** and so on. There will be separate session on **research and oral and poster presentations.**

We will be inviting doctors, postgraduates, residents, interns, MBBS students, nursing faculties, nursing students, registered nurses, BDS students, paramedical staff and other important stake holders for this conference, which will help to spread the importance of Emergency Medicine among the various strata of health care professionals.

The Emergency Medicine Department of MOSC Medical College Hospital, Kolenchery, Ernakulam district, kerala is spread over 20,000 sq. feet area with a 48 bedded capacity is one of the **largest spacious emergency medicine departments in India.** It consists of a fully equipped triage, green, yellow and red zones and all modern amenities for patient care.

During this conference, we are also planning to conduct the **Inauguration of the newly formed Emergency Medicine department in this institution and also the launching of our mobile ICU ambulance unit (Division of Transport Medicine) - with the concept of "Emergency Medicine on Wheels"**.

It would be indeed a great privilege to have you **with us for EM Genesis 2017 and also to be a part of the Inaugural function.**

Attaching here with the **brochure** for EM Genesis 2017.

We would be honoured to have you with us for EM Genesis 2017.

**Thanking you,**

**Yours Sincerely,**

**Dr. Ajith Venugopalan. M.D. (EM), FACEE, FICM**  
**Head, Department of Emergency Medicine,**  
MOSC Medical College Hospital, Kolenchery,  
Ernakulam district, Kerala, India.
